Bianco Fantastic Egyptian Granite

Elegant Light Egyptian Granite with a Refined Natural Character

Bianco Fantastic Egyptian Granite is a distinctive natural stone characterized by its elegant light background combined with contrasting gray, black, and natural mineral grains.

Its naturally crystalline structure and balanced pattern create a clean and sophisticated architectural appearance, making Bianco Fantastic an attractive choice for contemporary residential, commercial, and large-scale architectural projects.

Suitable for both interior and exterior applications, Bianco Fantastic combines the durability and strength of Egyptian granite with a versatile appearance that works beautifully across a wide range of design styles.

Applications

Bianco Fantastic Granite is suitable for a wide range of applications, including:

- Interior and exterior flooring
- Exterior façades
- Wall cladding
- Countertops and vanity tops
- Steps and staircases
- Paving and walkways
- Landscape features
- Columns and architectural elements
- Monuments and memorials
- Commercial and public projects

Available Finishes

At Nileox Stone, Bianco Fantastic Granite can be produced in a variety of finishes depending on the required appearance and application:

Polished | Honed | Flamed | Bush Hammered | Brushed | Sandblasted | Antique

Custom finishes are also available according to project specifications.

Sizes & Custom Fabrication

Bianco Fantastic Granite can be supplied as slabs, tiles, pavers, steps, countertops, wall cladding, monuments, and custom cut-to-size pieces.

Dimensions, thicknesses, edge profiles, surface finishes, and custom fabrication can be produced according to architectural drawings and individual project requirements.

Elegant Natural Appearance

The light background and contrasting mineral structure give Bianco Fantastic Granite a refined and versatile natural appearance.

A polished finish enhances the clarity of its light tones and highlights the natural crystalline pattern, while Flamed, Bush Hammered, and Sandblasted finishes create a more textured character suitable for exterior paving, façades, steps, and landscape applications.

Refined Egyptian Granite for Lasting Architecture

From elegant flooring and façades to countertops, paving, monuments, and custom architectural elements, Bianco Fantastic Egyptian Granite combines a sophisticated natural appearance with the strength, versatility, and timeless character of Egyptian stone.
