Gray Aswan Egyptian Granite

Classic Gray Egyptian Granite with a Timeless Natural Character

Gray Aswan Egyptian Granite is a distinctive natural stone characterized by its balanced gray background combined with black, white, and naturally distributed mineral grains.

Its consistent crystalline structure and neutral color palette give Gray Aswan a clean and timeless architectural appearance, making it a versatile choice for both traditional and contemporary projects.

Suitable for both interior and exterior applications, Gray Aswan combines the natural strength and durability of Egyptian granite with excellent versatility for architectural, landscape, and custom stonework.

Applications

Gray Aswan Granite is suitable for a wide range of applications, including:

- Interior and exterior flooring
- Exterior façades
- Wall cladding
- Countertops and vanity tops
- Steps and staircases
- Paving and walkways
- Landscape features
- Columns and architectural elements
- Monuments and memorials
- Commercial and public projects

Available Finishes

At Nileox Stone, Gray Aswan Granite can be produced in a variety of finishes depending on the required appearance and application:

Polished | Honed | Flamed | Bush Hammered | Brushed | Sandblasted | Antique

Custom finishes are also available according to project specifications.

Sizes & Custom Fabrication

Gray Aswan Granite can be supplied as slabs, tiles, pavers, steps, countertops, wall cladding, monuments, and custom cut-to-size pieces.

Dimensions, thicknesses, edge profiles, surface finishes, and custom fabrication can be produced according to architectural drawings and individual project requirements.

Classic Natural Gray

The balanced gray background and contrasting mineral structure give Gray Aswan Granite a timeless and versatile natural appearance.

A polished finish enhances the depth of its gray tones and highlights the natural crystalline pattern, while Flamed, Bush Hammered, and Sandblasted finishes provide a more textured character for exterior paving, façades, steps, and landscape applications.

Timeless Egyptian Granite for Lasting Architecture

From flooring and façades to countertops, paving, monuments, and custom architectural elements, Gray Aswan Egyptian Granite combines classic natural color with durability, versatility, and the timeless character of Egyptian stone.
