Rosa Hody Egyptian Granite

Warm Pink Egyptian Granite with a Distinctive Natural Character

Rosa Hody Egyptian Granite is a distinctive natural stone characterized by its warm pink to rose-colored background combined with contrasting black, gray, and naturally distributed mineral grains.

Its crystalline structure and balanced natural pattern give Rosa Hody an elegant and welcoming appearance, making it a versatile choice for residential, commercial, and architectural projects where warm natural tones are desired.

Suitable for both interior and exterior applications, Rosa Hody combines the distinctive beauty of Egyptian granite with excellent durability and versatility for architectural, landscape, and custom stonework.

Applications

Rosa Hody Granite is suitable for a wide range of applications, including:

- Interior and exterior flooring
- Exterior façades
- Wall cladding
- Countertops and vanity tops
- Steps and staircases
- Paving and walkways
- Landscape features
- Columns and architectural elements
- Monuments and memorials
- Commercial and public projects

Available Finishes

At Nileox Stone, Rosa Hody Granite can be produced in a variety of finishes depending on the required appearance and application:

Polished | Honed | Flamed | Bush Hammered | Brushed | Sandblasted | Antique

Custom finishes are also available according to project specifications.

Sizes & Custom Fabrication

Rosa Hody Granite can be supplied as slabs, tiles, pavers, steps, countertops, wall cladding, monuments, and custom cut-to-size pieces.

Dimensions, thicknesses, edge profiles, surface finishes, and custom fabrication can be produced according to architectural drawings and individual project requirements.

Warm Natural Color

The warm pink and rose-colored background combined with contrasting mineral grains gives Rosa Hody Granite a distinctive and naturally elegant appearance.

A polished finish enhances the richness of its pink tones and highlights the natural crystalline pattern, while Flamed, Bush Hammered, and Sandblasted finishes provide a more textured character for exterior paving, façades, steps, and landscape applications.

Distinctive Egyptian Granite for Lasting Architecture

From flooring and façades to countertops, paving, monuments, and custom architectural elements, Rosa Hody Egyptian Granite brings together warm natural color, durability, versatility, and the timeless character of Egyptian stone.
