Sunny Egyptian Limestone

Warm Golden-Beige Egyptian Limestone with Natural Character

Sunny Egyptian Limestone is a classic Egyptian natural stone recognized for its **warm beige to golden-beige tones, subtle natural movement, and distinctive fossil characteristics**.

Its inviting color palette gives architectural spaces a warm and elegant appearance, making Sunny a versatile material for both traditional and contemporary designs.

With different surface treatments, the character of Sunny Limestone can range from refined and sophisticated to aged and rustic, making it particularly attractive for exterior architecture and landscape projects.

Applications

Sunny Limestone is suitable for a wide range of applications, including:

- Exterior façades
- Wall cladding
- Interior and exterior flooring
- Pool decks and pool coping
- Patios and terraces
- Walkways and paving
- Steps and staircases
- Landscape features
- Residential and commercial projects

Available Finishes

At **Nileox Stone**, Sunny Limestone can be produced in a variety of finishes to achieve different architectural styles and textures:

Tumbled | Chiseled Edge | Bush Hammered | Brushed | Honed | Sandblasted | Antique

Custom finish combinations are available according to project requirements.

Sizes & Custom Fabrication

Sunny Limestone can be supplied as **tiles, pavers, pool coping, steps, wall cladding, and custom cut-to-size pieces**.

Dimensions, thicknesses, edge profiles, and surface finishes can be customized according to architectural drawings and project specifications.

Warm Natural Beauty

The warm golden-beige background of Sunny Limestone creates an inviting natural appearance that works particularly well with **Mediterranean, contemporary, rustic, and traditional architecture**.

Its natural variations, fossil details, and subtle movement ensure that every installation retains the authentic character of Egyptian limestone.

Egyptian Limestone Crafted for Distinctive Projects

From elegant façades and villa exteriors to pool surrounds, patios, paving, and landscape applications, **Sunny Egyptian Limestone** combines warm natural beauty with the timeless character of Egyptian stone.
